

PBA Members:

PBA has received Final Construction Guideline FAQs from the Dept. of Labor & Industry. Please click on the button below for the document.

PBA is still seeking clarifications on some questions.

We also want to remind all members that it is best to err on the side of documenting and over-communicating in order to ensure you are complying.

[CONSTRUCTION GUIDELINE FAQs](#)

NAHB has also updated their materials for employers to develop a plan to prevent worker exposure to Coronavirus, protective measures to be taken on the jobsite, personal protective equipment and work practice controls to be used, cleaning and disinfecting procedures, and OSHA guidance on what to do if a worker becomes sick, including recordkeeping requirements.
